DISCLAIMER

The Seminar leaders and the organisation and organisers are not liable for any possible damages that occur through applying the content of the seminars and the related advice and their interpretation as a direct or indirect consequence.

We also point out that the discussed themes and the processes involved are not meant to be a diagnosis or treatment of medical and psychic illnesses. In case of such indication, the seminar leaders and organisers see it as the individual responsibility of the participant and user to see a professional medical doctor, natural practitioner or therapist who has an adequate training.
